

# PHOTO BOOTHS

## How It All Works

The old photo booth is back and hotter than ever!

If you want the funkiest addition to your next event then you have found it! Our mobile photo booth provides entertainment for all ages with just the push of a button. With the latest technology, these state of the art photo booths at your next event is sure to have the guests queuing at its door.

We offer a standard hire period of 3-4 hours and no limit on the number of photos you take; in addition we have packages and extras to tailor our services to suit your event. The crew does all the set up and set down just allow us a maximum of 30 minutes either side of your hire period. All we need is a 2mtr (approx) space and good access to safe power and we are go!

The crew members will be at your event to assist your guests with the photo booth, giving you the freedom to enjoy.

The photo booth takes 4 consecutive photos (or 3 if you want a logo) and prints on 2 strips, 1 for you and 1 for your guest - or one for your guests and one for your memento album.

## Packages & Extra Offers

- **Photo strip frames** – custom made acrylic frames - we have tailor made acrylic frames that can double as place name holders and become a take home gift with their photo strip in the frame. \$1.7 per frame
