As you can see with our array of professional function services we are a one stop shop for all your function and party needs. We pride ourselves on a high level of customer service and communicate throughout the booking and up to the date of your function with you regularly. We believe it is important to confer and create the function with you personally and together as a team we achieve the desired outcome of a successful and memorable event, with guests talking about your function for years to come.

Love 2 Party has the best looking stylish casino equipment around and our Croupiers are all of a casino trained background and enjoy interacting and entertaining our clients' guests on a regular basis. The rules often go out the window and it is all about FUN! Fundraising events have also been very successful!

Our latest entertainment service 'Horse Racing Fun' is a great way to have your guests get involved with our cheeky bookies and place a bet on a photo finish winner!

The Love 2 Party Roving Magicians are creating a buzz every function they go to. Guests are blown away by the quality of street magic with a modern edge and love being a part of the tricks!

Our party packages are a great way to save and we are excited to offer you a FREE addition to every package giving you more value for your investment.

Book your entertainment and services with the professionals that have the experience and reputation in creating successful functions and communicate with you throughout the whole process. We would love to chat with you soon and assist in *creating a function to remember* not just another night...

It's all about FUN!
