Why choose our **WOODFIRED PIZZA OVEN** service for your next Party, Event or Festival?

The Chef is a European local who just loves and takes great pride in his food and has had over **12 years industry experience**; he is very often complimented on his gourmet tastes. All the food is prepared and cooked on site in a traditional Cob Wood fire Oven.

It is a great way to feed everyone and have no mess to clean up!

- Only the best quality ingredients are used.
- No processed meats are used.
- The Chef makes his own dough and pizza sauce
- All pizzas are made in a traditional European style with a thin crispy base.
- As the pizzas are prepared and cooked on site, you are guaranteed a fresh, high quality product.
- The Chef can cook 5 x 13 inch pizzas (extra large size) at a time taking approximately 6 to 8 mins and they are cut into eight pieces so approximately **every 10 minutes there will be 40 pieces of fresh pizzas ready to eat.**

The Woodfired Pizza company will arrive approximately 3 hours prior to the commencement of food service to set up. This will include positioning the pizza oven in the best location for your guests, heating up oven, rolling out the pizza dough and other general setup.

The Catering Operation

- The function will start with Home Made Crunchy Garlic bread (Secret recipe) that will be the best you would have ever tasted, also cut into 8 pieces and served piping hot.
- This will be then followed with a Margo Pizza, then Troppo Pizza to feed the kids, (as well as the big kids)
- then onto the 3 other styles of meat pizzas Chicko, Peppo and Meato with a Vego thrown in to break it up.
- **In total there are 2 vegetarian and 4 meat styles of pizzas.**
- If any one desires chilli or anchovies please let the chef know and he will be happy to make up some especially for those requesting them.

- When everyone has eaten as much as they can, The Chef will make up a few more pizzas and place them in the kitchen for the late night party goers or the next day hangover cure.

- All Garlic bread and Pizzas are served in takeaway style boxes with lids for convenience, portability and of course no dishes to clean away.

Space Requirements

The Chef and his Woodfired Pizza Oven will require a total space of 7 metres by 4 metres which comprises of the Cob oven which is on a 6x5 trailer and a 3x3 marquee that holds the preparation and serving benches, twin washing up sink and ice boxes for food storage.

The only requirement from the Hosts is a power outlet for the Chefs lighting only. He will supply power cable and everything else needed.

All you need to do is invite your friends and
The Chef will do the rest.
