

A woman in a white dress is the central focus, adorned with numerous blue LED lights. She wears a crown of lights and holds a bottle. The setting is an indoor space with a chandelier, framed pictures, and other people in the background.

ILLUMINATED
ENTERTAINMENT

Champagne Chandeliers

Exquisite Mix & Mingle Act

Illuminated Costumes

Stilt Walkers or ground characters

Performers can serve Champagne or mix & mingle with guests

Crystal Chandeliers

A visually stunning mix & mingle roving act, the Crystal Chandeliers are unique costumed characters covered in thousands of acrylic crystals and infused with LED lighting throughout the chandelier-inspired outfit

They can be used simply as a visual meet & greet act to welcome guests on arrival, or can top up champagne glasses as they wander throughout the event space

Available as ground-based roving characters or for maximum visual impact upgrade to the stilt walking version of these exquisite characters!
